RECITALS

- 2 A. The two Federal-State cases from Missouri, *Clayton v. AT&T*
- 3 Communications of the Southwest, Inc., No. 07-1187, and United States v. Gaw, No. 07-
- 4 1242, both relate to the enforcement of subpoenas issued by Missouri Public Service
- 5 Commissioners Robert Clayton and Steve Gaw. The same subpoenas are at issue in both
- 6 cases. Clayton is unique in that it is the only Federal-State case in which a state brought an
- 7 action against telecommunications carriers, specifically AT&T Communications of the
- 8 Southwest, Inc.; SBC Long Distance, L.L.C.; SBC Advanced Solutions, Inc.; TCG St.
- 9 Louis Holdings, Inc. dba TCG St. Louis; Southwestern Bell Telephone L.P.; and TCG
- 10 Kansas City, Inc. ("Defendants").
- 11 B. While *Clayton* was still pending in the U.S. District Court for the Western
- 12 District of Missouri, on August 28, 2006, Defendants filed a motion to dismiss in *Clayton*.
- On September 12, 2006, the Plaintiffs filed their opposition to the motion to dismiss.
- 14 C. Without hearing or opinion, the court denied the motion without prejudice
- through a docket text order dated January 31, 2007. Clayton Dkt. 69 (attached hereto as
- 16 Exhibit A). The same text entry order also denied without prejudice a pending Motion To
- 17 Change Venue, Or In The Alternative, To Stay and a pending motion regarding discovery.
- 18 *Id.*

- D. Soon thereafter, on February 15, 2007, the Judicial Panel on Multidistrict
- 20 Litigation issued its order transferring Clayton v. AT&T Communications of the Southwest,
- 21 Inc., No. 07-1187; United States v. Gaw, No. 07-1242; United States v. Rabner, No. 07-
- 22 1324; United States v. Palermino, No. 07-1326; United States v. Volz, No. 07-1396; and
- 23 United States v. Adams, No. 07-1323 (the "Federal-State Cases").
- E. On March 26, 2007, this Court entered a scheduling order for the Federal-
- 25 State cases. MDL Dkt. 219 ("March 26 Order"). The parties understand that March 26
- 26 Order to specify the briefing presently required for the Federal-State cases. The Court's
- 27 March 26 Order does not address any briefing by telecommunications carriers and,
- 28 specifically, does not specify whether Defendants have any briefing obligations with
